Data and Privacy File Guides

Accessibility: Zoom Touch

March 2020

File name

ZoomTouch.xml

File description

This access file contains information about a Education user's synced zoom settings.

Why Apple keeps this information

Apple retains this information for Education users in order to preserve the settings when the user logs into a new device.

Field Name	Details
ZoomCurrentLensEffect	The user's zoom current lens effect setting
ZoomPreferredLensModes	The user's zoom preferred lens (multiple) mode setting
ZoomPreferredLensMode	The user's zoom preferred lens (single) mode setting
ZoomShouldAllowFullscreenAutopanning	Whether the user has indicated that zoom should allow full screen autopanning
ZoomShouldFollowFocus	Whether the user has indicated that zoom should follow focus
ZoomShouldShowSlug	Whether the user has indicated that zoom should show slug
